

Merry Christmas

from *The Pipeline*

From The Love Ones in Christmas Heaven

I see the countless Christmas trees around the world below.
With tiny lights like Heaven's stairs, reflecting on the snow.

The sight is so spectacular, please wipe away the tears,
For I am spending Christmas with Jesus Christ this year.

I hear the many Christmas songs that people hold so dear
But the music can't compare with the Christmas choir up here.

I have no words to tell you the joy their voices bring,
For it is beyond description to hear the angels sing.

I know how much you miss me, I see the pain inside your heart.

But I am not so far away--We really aren't apart.

So, be happy for me, Dear Ones, You know I hold you dear.

Be glad I'm spending Christmas with Jesus Christ this year.

So have a Merry Christmas and wipe away that tear,
Because I'm spending Christmas with Jesus Christ this year.

Dear Neighbors,

I am fortunate enough to be blessed with your support and guidance as this year comes to a close.

I am forever grateful for my Executive Board, Committees, and the Amazing Residents of Parkwood Terrace Subdivision. May God keep on blessing us with his divine love and care and help us to deal with all the difficulties ahead.

I wish you and your family good health, happiness, joy, and prosperity.

Merry Christmas and Happy New Year!

Natural ways to repel
insects in your home

1. Apple Cider Vinegar

Combine apple cider vinegar in a bowl or glass
with a few drops of dishwashing detergent

2. Diatomaceous Earth

A naturally occurring substance sourced from fossilized diatoms (plankton). It has numerous valuable uses, such as purifying water, detoxing the body, improving bone density, and removing toxins from the skin. And most importantly (for the purposes of this article), diatomaceous earth helps to kill insects in your home because of its ability to dry out the external layer of a bug's "skin" causing it to dehydrate and die. Diatomaceous earth is safe for human consumption, however, be sure to purchase from a reputable source with a food-grade label.

3. Essential Oils

Mix about 1 cup of
water with 25-30 total
drops of oil

Vera
Hollins

4. Basil

Simply put it to a small
bowl and keep it on your
kitchen counter
